

MEMBER BENEFITS

The EVHBA is dedicated to the advancement of the home building industry by promoting high ethical standards for its members, as well as on-going education, safety training and networking opportunities. It is through our members' commitment to professional standards that we are able to further benefit our industry, customers, and the community at large.

Membership in CAHB is automatic with local membership!

Through the Colorado Association of Home Builders our members receive lobbying efforts for proactive legislation initiatives and against negative legislation that hinders the best interest of the building industry and the public.

General Liability Insurance Program

Through a unique partnership between the Colorado Association of Home Builders we have been able to package an insurance program that provides competitive pricing and enhanced coverage. Visit HBAColorado.com or call sue at 970-328-2205 for information.

National Association of Home Builders Benefits

- Free legal research on building industry-related issues to all members. Attorneys will research your legal topics and questions and provide you with written help.
- Members-Only Rates at the National Builders Show on education and certification
- "Member Advantages"...money saving discounts from top national companies including \$500 off purchase or lease of a new GM Buick, Chevrolet and GMC vehicle.
- Up to date national builder information accessible 24/7 through member's only access to www.nahb.org
